

## Miami Valley Horse Show Association

Thank you for your interest in hosting a MVHSA-approved show! Please see below for information regarding how to have your show MVHSA-approved.

- Show approval (and fee) must be submitted at least 60 days prior to your show and contracted judge(s) submitted at least 30 days prior. Conditional approval will be given until the show committee submits contracted judge(s).
- **Judges may only judge TWO MVHSA approved shows per calendar year.** Shows must be at least 60 calendar days apart. It is the show committee's responsibility to ensure its contracted judge meets these requirements. In the event 2 shows have booked the same judge, the show committee that provided the judge's name first will be approved.
- The more MVHSA classes a show offers, the better member turnout it will most likely have. Shows must offer at least 75% of the MVHSA approved class list ( found at [www.mvhsa.com](http://www.mvhsa.com)) at their show. **Showbills must note what classes are (or are not) MVHSA approved.**
- The approval fee is as follows:
  - One day single judged- \$60 (within 60 days of show \$75)
  - Multi-day show, single judged- \$100 (within 60 days of show \$125)
  - Multi-day show with multiple judges- \$100 + \$40 per additional judge (within 60 days of show \$125 + \$50 per additional judge)
- Show results need to be submitted to the points secretary within 30 days of your show. Please include exhibitor name and horse's name with your results.
- Bounced checks will incur a \$30 NSF fee.
- If a MVHSA member bounces a check with you, please let the MVHSA show approval committee know as soon as possible. Members and their horses are not eligible to earn points while money is owed to a show committee hosting a MVHSA approved event.

***\*Show Approval Fee has been waived for the 2023 calendar year but will resume according to the normal schedule shown above for the 2024 calendar year.***
